RATE CASE BROUGHT UP IN THE COURT

Question as to Whether Proprietary
 Medicine Contracts
 Violate Anti-Trust Law.

WASHINGTON, D. C., Jan. 6.—
 Contracts to prevent "cut rates" in prop-
 riety medicines violate the Sher-
 man anti-trust law or the common
 law in restraint of trade.
 That question was argued before
 the supreme court of the United
 States. Upon this decision of the
 court is said to depend the contin-
 uation of "cut rates" in proprietary
 medicines of the United States. It
 probably will be several weeks before
 the court will announce its decision.
 The question was brought before
 the court by the Dr. Miles Medical
 Company, of Elkhart, Ind. A few
 years ago, that company entered into
 certain contracts with dealers in
 medicines throughout the country.
 These were not contracts of sale, so
 the company now contends but con-
 tracts of consignment, under which
 the dealers did not become the owners
 of the medicines, but did become
 agents of the company. One of the
 conditions of the contracts was that
 the dealers should sell only to cer-
 tain persons and at certain prices.
 John D. Park and Sons Company,
 of Cincinnati, O., did not enter into
 a contract with the Dr. Miles Med-
 ical Company, but the latter
 charges the Cincinnati firm with in-
 cluding others who did make such
 contracts to break the conditions
 concerning persons and prices. The
 manufacturing company went into
 the court asking for an injunction
 against the Cincinnati firm to prevent
 it from procuring contract violations
 and from selling the medicine at cut
 rates.

Justice Lurton, then on the circuit
 bench, announced the opinion of the
 United States circuit court of ap-
 peals for the sixth circuit, in which
 the injunction requested by the man-
 ufacturer was denied. The case was
 appealed to the Supreme Court, and
 Frank F. Reed and Edward S. Rogers
 presented a brief in support of the
 position taken by the Dr. Miles Med-
 ical Company. Alton B. Parker and
 William J. Shroder filed a brief for
 the John D. Park & Sons Company.

In the brief for the manufacturer,
 it was urged that the lower courts
 had erred in holding that even if the
 contracts were construed as con-
 tracts of consignment or agency that
 they were void because in restraint
 of trade, both at common law, and
 under the Sherman anti-trust law.
 In the first place it was argued in
 the brief that contracts between a
 principal and an agent were not in
 restraint of trade, whatever condi-
 tions were included in the contracts.
 Furthermore, it was contended that
 the medicines embodied trade secrets
 and from the very nature of the art-
 icles the owner of the secrets was
 entitled to a monopoly therein.

In the brief prepared by Mr. Par-
 ker and Mr. Shroder it was argued
 that the courts could not insure an
 unnecessary monopoly in proprietary
 medicines. It was argued that the
 action granted only to patented ar-
 ticles, without subscribing to the
 manufacture, was asking for a pro-
 tection imposed upon patented ar-
 ticles, namely that they will become
 available to the public after a few
 years. Extended arguments were
 presented in the brief to show that
 the contracts violated the common
 law and the Sherman act.

CERTAINLY ENDS STOMACH MISERY

Heartburn, Gas, Headache,
 and Other Stomach Mis-
 ery Vanishes.

If your meals don't sit comfortably,
 or you feel bloated after eating, and
 you believe it is the food which
 you eat, if what little you eat lies like
 a lump of lead on your stomach, if there
 is difficulty in breathing after eating,
 eructations of sour, undigested food
 and acid, heartburn, brash or a belch-
 ing of gas, you can make up your mind
 that you need something to stop food
 fermentation and cure indigestion.
 To make every bite of food you eat
 aid in the nourishment and strength
 of your body, you must rid your stom-
 ach of poisons, excessive acid, and
 stomach gas, which cause your entire
 system to suffer. Indigestion, and
 causes so many sufferers of Dyspepsia,
 Sick Headache, Bloating, Constipation,
 Griping, etc. Your case is no
 different—you are a stomach sufferer,
 though you may call it by some other
 name; your real and only trouble is
 that which you eat does not digest,
 but quickly ferments and sours, pro-
 ducing almost any unhealthy condi-
 tion.

A case of Pape's Diapensin will cost
 fifty cents at any pharmacy here, and
 will convince any stomach sufferer five
 minutes after taking a single dose
 that Fermentation and Sour Stomach
 is causing the misery of indigestion.

No matter if you call your trouble
 Catarrh of the Stomach, Nervousness,
 or Gastritis, or by any other name,
 always remember that a certain cure
 is waiting at any drug store the mo-
 ment you decide to begin its use.
 Pape's Diapensin will regulate any
 out-of-order Stomach within five min-
 utes and digest promptly, without any
 fuss or discomfort, all of any kind of
 food you eat.

THREE MEN ARE FINED.

At the regular session of police
 court this morning, which was con-
 ducted by Mayor Frank R. Moore,
 three men were convicted of drunk-
 enness and fined \$3 and costs each.
 Two of them paid and the other gave
 a satisfactory order for his fine.

Albert Wilt, of Martinsburg, is in the
 city on a business visit.

The Famous Rayo

Does Not Strain the Eyes
 Don't use a small, concentrated light
 over one shoulder. It puts an unequal
 strain on your eyes. Use a diffused, soft,
 mellow light that cannot flicker, that equal-
 izes the work of the eyes, such as the Rayo
 Lamp gives, and avoid eye strain.
 The Rayo is designed to give the
 best light, and it does.
 It has a strong, durable shade-holder
 that is held firm and true. A new burner
 gives added strength. Made of solid
 brass and finished in nickel. Easy to
 keep polished. The Rayo is low priced,
 but no other lamp gives a better light at
 any price.
